Land, Stock, Crop

A dispatch from Owensville states that Bath county is full of tobacco buyers who are offering from 10 to 12 cents.

A. S. Robertson has bought three hundred acres of tobacco in Bath and Nicholas counties at 10 cents to 11 cents a pound.

Authentic reports from Robertson say that full ninety eight per cent. of the tobacco crop will be pooled by the Burley Society.

James Wallace sold his fine Shetland pony that took the blue ribbon at the Germantown fair to Senator Grigsby of Lewis county, for \$125.

Shed Williams, a farmer, near Sharpsburg, has made a most remarkable record in hog raising. He realized \$402 from one sow in thirteen months.

Fleming county growers have already pooled 3,650 acres of their 4,500 acre tobacco crop, and the poolers are making rapid progress in getting the remainder.

Over eleven hundred acres of the Woodford county tobacco crop was signed up in the Burley pool the first of the week, and an active and successful canvass is now being prosecuted.

Mr. G. T. Leach has sold his farm of about sixty-five acres near Centerville, to Mr. W. N. Dunn, of Georgetown, for \$9,100 or \$140 per acre. Mr. Dunn will move to the place on March 1910.

Two hundred dollars a ton for broom corn is now predicted by men in the trade. At Arcola, Ill., farmers have refused \$170 for corn in the field. The price Tuesday was \$100. Buyers are frantic, while the farmers are standing pat.

At the administrators sale of Berryland, in Fayette county, Mr. Ed Weathers, of Bourbon county purchased 355 acres for \$5 per acre, and Mr. Jas. Evans, also of this county bought the 256 acre tract at \$6 per acre.

Representatives of Chicago packing firms are in St. Petersburg investigating the possibilities of the Caucasus and Western Siberia as a source of meat supply. The Caucasus are as yet an untouched field, although

great quantities of sheep are available there.

A Pike county farmer solved the sheep killing dog problem in a successful way. After he had lost thirty sheep he built in the pasture a square pen of logs and roofed it, but left a big hole in the middle in which he suspended a part of a sheep. Nearly every morning when he went to the pen he found one or more dogs in there which he quietly put out of business. In the course of the winter, he caught about forty dogs and didn't lose any more sheep. Moreover, he kept on good terms with his neighbors, which is a hard thing to do if you shoot their dogs and go around bragging about it.

Eczema is Now Curable.

Zemo, a clean liquid for external use, stops itching instantly and permanently cures eczema and every form of itching skin or scalp disease. Perry and Thomas the druggists, say Zemo is the most successful and meritorious remedy he has ever sold for the prompt relief and positive cure of eczema and every form of itching skin disease. Ask for sample and see display and photos of many remarkable cures made by Zemo.

FOR YOU AND YOUR WIFE

A cheerful, pretty bedroom will help you to start your day in a cheerful pleasant mood. Its a haven of rest for you to come back to at night. And all day long it is a pleasure to your wife.

To make a pretty bedroom it is more important to have tasteful furniture that harmonizes, than furniture that merely costs a lot. A brass bed, or a pretty white iron bed if you prefer, bureau and chiffonier of light color (birdseye maple is especially pretty) a low rocking chair and one or two straight back chairs to match, a mirror five foot high screwed on to a closet door, a sofa upholstered in cretonne, a shirtwaist box covered with the same, and the cretonne repeated in hangings at the window over white muslin curtains, a light colored rug on the floor,—all this does not cost very much, if you buy from us, and makes a pretty room. Come in and talk it over.

Don't forget to get a STEARNS & FOSTER mattress. That is what makes your bedroom a haven of rest. No other mattress is so comfortable.

Made in four grades of superiority; \$10.50 to \$22.50. Windsor Grade at \$13.50 is guaranteed superior to any other advertised mattress. We sell it on 60 nights' trial. If you are not with it at the end of that time we will return your money without question or comment.
